Dear Mr. Glazier:

Thank you for submitting the Transfer Notice of Intention which transfers the Etna Mine from 5M, Inc. to American COMETCO, Inc. The transfer was officially signed and became effective on August 20, 1996. The transfer still shows you as the official representative and contact person under this new operator name.

We apologize for the delay in returning a copy of this transfer form to you. If you have any questions or concerns, please notify me.

Sincerely,
